1. The Promotion

These Terms & Conditions govern the Alchemist Sheds Christmas Giveaway 2026 (Promotion). By entering, entrants agree to be bound by these Terms & Conditions. The Promotion includes two separate entry pools: the Major Prize Draw and the Hidden Toolbox Mystery Prize Draw.

2. Eligibility

- Entry is open only to residents of Queensland, Australia, who are aged 18 years or older at the time of entry.
- Employees, contractors and immediate family members of Alchemist Sheds may be excluded from entry at the Promoter's discretion to preserve the fairness of the Promotion.
- The Promoter may request reasonable proof of identity, age and Queensland residency before awarding a prize.

3. Major Prize

The Major Prize is one SP Tools 345 Piece 58" APEX Series MET/SAE Grey 11 Drawer Roller Cabinet Toolkit (model SP53110GY), purchased from Total Tools Mackay.

- The Major Prize includes the 58" 11-drawer roller cabinet and the associated 345-piece tool kit supplied with that product.
- One eligible entrant will win the Major Prize.
- The prize is not transferable or redeemable for cash.

4. How to Enter the Major Prize Draw

During the Promotion Period, an eligible entrant must complete the entry requirements stated on the official Alchemist Sheds giveaway post, including:

- Follow the official Alchemist Sheds social media account.
- Like the official giveaway post.
- Tag up to three different friends in a valid comment.
- Multiple entries are permitted. Each separate valid comment may constitute one entry. Entrants may submit as many valid comments as they like during the Promotion Period.
- Entrants who wish to tag more than three people may do so across additional comments.

Duplicate, automated, fake, fraudulent, misleading, spam or otherwise invalid entries may be removed or disregarded at the Promoter's discretion.

5. Hidden Toolbox Mystery Prize Draw

The Hidden Toolbox Mystery Prize Draw is separate from the Major Prize Draw. Two different Mystery Prizes will be awarded to two winning entries. The specific Mystery Prizes will be announced by Alchemist Sheds separately.

- During the Promotion Period, Alchemist Sheds may hide a small toolbox graphic or image within selected posts, Reels or Stories.
- Each Hidden Toolbox post, Reel or Story will remain available for approximately five hours only and may then be removed.
- To enter for that Hidden Toolbox appearance, an entrant must spot the toolbox, take a screenshot showing it and send the screenshot by direct message to the official Alchemist Sheds account within the applicable five-hour window.
- Each separate Hidden Toolbox appearance successfully found and submitted within the time limit earns that entrant one entry into the Mystery Prize Draw.
- An entrant may receive a maximum of one entry for each individual Hidden Toolbox appearance. Re-sending the same screenshot does not create additional entries.
- Screenshots received after the applicable five-hour window may be treated as invalid.

6. Number of Winners and Multiple Wins

There will be three winners in total: one Major Prize winner and two Mystery Prize winners. The Major Prize Draw and Mystery Prize Draw are separate entry pools.

A single person may win a maximum of two prizes across the Promotion, but no person may win all three prizes. If a person would otherwise be selected for a third prize, that prize will be redrawn.

7. Draw and Winner Selection

- The draw will take place on 11 December 2026 and will be conducted live on Alchemist Sheds social media.
- Winners will be selected at random from valid eligible entries using an electronic random comment or entry selection method compatible with Meta social media platforms.
- The Promoter may verify the selected entry before confirming a winner.
- If a selected entry is invalid, ineligible or cannot be verified, the Promoter may conduct another random draw for that prize.

8. Winner Notification and Redraws

- Winners will be contacted by the official Alchemist Sheds social media account using the contact method available through the relevant platform.
- A winner must respond within 24 hours of the Promoter's first notification.
- If a winner does not respond within 24 hours, cannot be verified, or declines the prize, the prize will be forfeited and a redraw will be conducted.
- Entrants should be alert to impersonation or scam accounts. Alchemist Sheds will not request payment to claim a prize, except where a winner outside the free-delivery area elects to pay agreed freight or shipping costs.

9. Collection, Delivery and Freight

- Complimentary delivery is available within the Whitsunday region, subject to reasonable access and scheduling arrangements determined by Alchemist Sheds.
- Winners located outside the Whitsunday region are responsible for arranging collection or paying all freight, shipping, handling and associated delivery costs.
- Alchemist Sheds may assist with reasonable delivery coordination, but any external freight charges remain the responsibility of the winner unless otherwise agreed in writing.

10. Prize Handover, Damage and Warranty

- Responsibility for a prize passes to the winner once it has been collected, delivered or otherwise handed over to the winner.
- After handover, Alchemist Sheds is not responsible for loss, theft, misuse, accidental damage, damage caused in transport arranged by the winner, or ordinary wear and tear, except to the extent liability cannot lawfully be excluded.
- Where available, the original purchase receipt will be provided to the winner so that applicable manufacturer or retailer warranty matters can be handled directly with the relevant supplier or retailer, including Total Tools Mackay.
- The 58" roller cabinet/toolbox carries a 1-year warranty, subject to the manufacturer and retailer warranty terms and any rights available under Australian Consumer Law.

Nothing in these Terms & Conditions excludes, restricts or modifies any consumer guarantee, right or remedy that cannot lawfully be excluded under Australian Consumer Law.

11. Prize Availability

The Major Prize is the specific product described in section 3. The Mystery Prizes will be identified separately by Alchemist Sheds before they are awarded. Alchemist Sheds does not offer cash alternatives or substitutions unless required by law or agreed with the relevant winner.

12. Privacy

Personal information received through comments, direct messages, winner verification or prize delivery will be used for administering the Promotion, verifying eligibility, contacting winners, arranging prize handover and any reasonably related promotional administration. Entrants should not send unnecessary sensitive personal information through social media.

13. Meta / Social Media Disclaimer

This Promotion is run by Alchemist Sheds and is not sponsored, endorsed, administered by or associated with Meta, Facebook or Instagram. Entrants release those platforms from responsibility for the administration of this Promotion to the extent permitted by law. Any questions, comments or complaints about the Promotion should be directed to Alchemist Sheds, not Meta, Facebook or Instagram.

14. Changes, Suspension or Cancellation

If circumstances outside the reasonable control of Alchemist Sheds prevent the Promotion from operating as intended - including platform outages, technical failures, fraud, tampering, safety issues or other unforeseen events - Alchemist Sheds may reasonably modify, suspend, postpone or cancel part or all of the Promotion. Any material change will be communicated through the official Alchemist Sheds social media account where practicable. This clause does not limit any rights that cannot lawfully be excluded.

15. General

- Alchemist Sheds' decision regarding entry validity, eligibility and administration of the Promotion is final, subject to applicable law.
- Failure by the Promoter to enforce a provision of these Terms & Conditions does not waive that provision.
- If any provision is held to be invalid or unenforceable, the remaining provisions continue to apply.
- These Terms & Conditions are governed by the laws of Queensland, Australia.
